JAN 1956

MEMORANDUM FOR : Deputy Director (Intelligence)

SUBJECT : Memorandum of Appreciation

1. In looking back over the events of 1955 I am impressed anew by the extent to which you and members of the offices under your control have assisted the Office of Training in carrying out its mission. During the year a total of 133 individual spokesmen from your area appeared in various training programs, a few once and many several times, supplementing the work of our regularly assigned instructors. This contribution has been of the greatest value particularly in giving to your own students the skills and understandings they need.

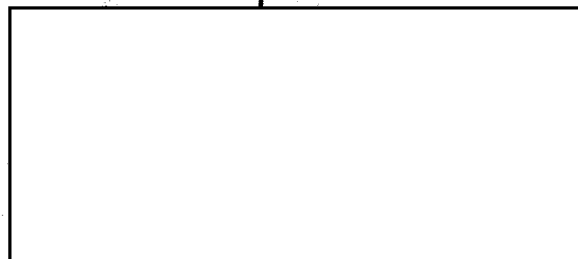

2. I will not attempt to name the 133 here, nor to single out the outstanding contributors among them. All have been thanked individually for their services in the course of the year. But I do wish to acknowledge in this fashion the full extent of your support and to express again our collective appreciation.
